

Dear Community Partner,

Oliver's Community Park and recreation complex are one of the jewels that draw visitors to the area and help some to decide to make this beautiful community their home. The sport court facilities in Community Park were created almost three decades ago and it is time to renew them to ensure they meet the changing needs of the community.

One example of changing recreational needs is the large following and growing popularity of pickleball in Oliver and throughout the world. The tennis courts were modified in 2016 to allow for pickleball, but this is only a temporary solution and does not meet the current or future needs of pickleball and tennis players. The pickleball and tennis clubs in collaboration with Oliver Parks and Recreation have formed the Sport Court Development Committee (SCDC). ***The SCDC is committed to building four standalone pickleball courts and the resurfacing of three dedicated re-aligned tennis courts.***

This exciting project will be a welcome addition to the community park that will encourage active living lifestyles for all ages and promote the growth and sustainability of racquet sports in Oliver for many decades.

(proposed new court layout)

Our goal is to raise a very significant portion of the estimated \$120,000 cost of the project. It will take about eight weeks to construct and we plan to build as early as 2021.

We invite you to participate by donating to this worthwhile community project that will benefit the whole community. ***Your donation is TAX DEDUCTIBLE when mailed with the Donation Form.***

Thank you for your interest and support for this exciting project.

Sincerely,

Janet Shaw (shaw498@telus.net) and Gord Reid (gordoreid@eastlink.ca), Co-Chairs,

Sport Court Development Fundraising Committee

SPORT COURT DONATION FORM

DATE: _____

INDIVIDUAL/ORGANIZATION NAME: _____

ADDRESS: _____

EMAIL ADDRESS: _____

CONTACT (if different): _____

AMOUNT DONATED: _____
